Program: (GuideStar Nonprofit Profile,)

Budget: \$29,605

Category:

Population Served:

Program Description:

In 2007, the third year of a grant funded by Public Health, Seattle & King County as part of the STEPS to a Healthier US federal initiative, Action for Media Education continued to work with community members to both examine the effects of media on young children's food choices and to educate parents on the influences of the media on childhood obesity, demonstrating the connections between nutrition and exercise, eating and snacking habits, grocery shopping and the consumption of television

Population Served:

Program Description:

Action for Media Education held its second Images of Youth 2007 Video Festival: Show the World What You Think, presented at Ballard High School in Seattle. The primary purpose of the video festival was to allow teens to use video as a medium for giving voice to their views as to how high school teens see themselves and the world.
